

# Farhath's Mehendi's Checklist

*For your big day make sure these things are crossed off your list!*

## Before your appointment

1. Checked Farhath's Mehendi designs on her website / facebook page / instagram account	✓
2. Had an initial chat with the designer	
3. Decided on my final design or kept it open	
4. Agreed on a budget or budget is not an issue	
5. Confirmed the date and time of my order	

## On the day of your appointment

6. Reconfirmed with the designer that she / they are coming	
7. Freed my schedule for at least 6 hours from the start of the appointment or as agreed	
8. Planned ahead how I would run my wedding, spiritual or other activities after the Mehendi is done	
9. Had my meals and went to the wash room	
10. Had an entertainment plan during the Mehendi or had a good girly chat with the designer!	
11. Stayed as still as possible during the whole process	

## After your appointment

12. Got advise from the designer how to apply a lime & sugar preservative or how to get a dark stain	
13. Avoided feeding myself and using too much soap in the first few hours after the Mehendi	
14. Tried to keep the Mehendi paste overnight	
15. Washed off the Mehendi	
16. Remember that the stain will get really dark in around 24-48 hours and last for 5-7 days depending on the skin and body heat.	

**Don't forget to SMILE! Your big day has arrived!**
